Product information	Product Name	J-Style V8-ECG smart bracelet- Magnetic Charging Version
	Product pictures	
	Main functions	Health Monitoring: Heart rate, blood oxygen (SpO₂), HRV, stress level, body temperature, blood glucose, OSA, respiratory rate, women' s health, continuous temperature monitoring; sleep tracking; steps, calories, and activity distance. Featured Function: **ECG**. The band is equipped with an **8-channel heart-rate sensor + 8-channel SpO₂ sensor** combined with professional-grade health algorithms.
Basic information	Main Material	ABS+PC (Bottom Cover), Metal Decorative circle
	Color	Silver, Black
	Dimension	47.5mm*39.5mm*13.86mm
	Package	Main unit + charging dock *1, Nylon watch band *1, instruction manual *1
Product function	Software	1. Medical-grade health monitoring; ECG measurement. 2. Automatic monitoring of heart rate, blood oxygen, HRV, and stress (measurement interval configurable in the APP); abnormal heart-rate alerts. 3. Automatic sleep detection (Light/Deep/REM sleep, sleep and wake-up time). 4. Steps / Calories / Distance. 5. 24-hour automatic body-temperature tracking. 6. Multiple sports modes. 7. Historical records (Daily / Weekly / Monthly). 8. Additional features such as healthy-lifestyle reminders. 9. OTA upgrade support. 10. APP compatibility: Android 5.1+, iOS 9.0+. 11. Data storage duration: 10 days.
Hardware	BLE chipset	NORDIC bluetooth chipset
	Flash	8MB
	PPG sensor	Professional-grade high-precision AFE analog front end; 4-channel optical sensors
	Temperature sensor	NTC
	G sensor	3D axis sensor
	Bluetooth	BLE 5.0
	BLE distance	10 meter
	Battery	Rechargeable lithium battery, 180mAh
	Charging time	<2 hours
	Battery life	over 7 days for standard using cases
	Charging methods	Magnetic charging
Certification	Certification	IP68, FCC, CE, ROHS etc
